Our slogan is:

- **Golf & Nature to experience**
- **Countryside to discover**
- **Culture & Sea to enjoy**

Ostsee-GolfTour is a specialist tour operator, which offers exclusively golf tours around beautiful sites near the Baltic Sea. The association between golf and country folk is extremely delightful because the Baltic sea with endless beaches, charming avenues, high class hotels and first class culture is a must for every golf enthusiast.

Mecklenburg-Western Pomerania makes determined efforts to introduce its recently built first class golf courses to professionals and newcomers. Ostsee-GolfTour is specialised in northern Germany, including City Golf Berlin and Hamburg as well as neighbouring countries like Poland, Estonia, Latvia, Lithuania Sweden and Denmark. Diverse packages are offered, such as the popular tour through Mecklenburg, golf and beach vacations at the coast of Schleswig Holstein or golf arrangements for groups or individuals.

Golf enthusiasts will be surprised by the quality of well-kept courses, excellent hotels, restaurants, and a variety of cultural events which all destinations have in store.

Ostsee-GolfTour is not only specialized in organizing tours to the most attractive golf courses but it also accompanies its customers with a selected tourist programme. Tailor-made tours for individual guests and groups, short stays or a complete holiday, Ostsee-Golftour will leave nothing by chance. We reserve tee times, care for tournaments and will always discover new sites for you.

We are a member of the tourism association of Mecklenburg-Western Pomerania and strongly linked with the golf associations of Schleswig Holstein "Golfküste" and other golf associations. Ostsee-GolfTour is also a member of the International Association for Golf-Tour Operators ([www.IAGTO.com](http://www.IAGTO.com)).
